4. Contact & Support

1. Installation Guide

1. **For Mac OS**: please navigate to the following folder location - 'Macintosh HD > Users > [Your User Name] > Documents > Image-Line > DirectWave'.

For Windows/PC: please navigate to the following folder location – '[Your Main Hard Disk] > Program Files > Image-Line > FL Studio > Data > Patches > Packs'.

2. Move the folder named 'MA Drum Booster Pack' (inside 'DirectWave Kits') to this location or, if using a Mac, you can first create a folder called 'Packs' to drag your sample pack into.

3. Move the file named 'MA Drum Booster.fst' (inside 'Mixer Settings)' to '... > Image-Line > FL Studio > Presets > Mixer presets'

4. Open the included FL Studio project file named 'MA Drum Booster.flp'

That's it! Further installation assistance can be found in our support section.

2. Technical Info

- WAVE (.wav) format for the samples (44.1kHz/24 bit)

- DirectWave patches (.dwp)

- Mixer presets (.fst)

- FL Studio project file (.flp)

3. License Agreement

The contents of this download are licensed, not sold to you by ModeAudio. Ownership remains with ModeAudio. Copying, duplicating, lending or re-selling this product or its contents, in whole or in part, is strictly prohibited. This non-exclusive license is granted for a single-user only on a global basis for the full copyright protection period.

You are licensed to use the contents of this download royalty-free, granting you the right to incorporate them into your own, original music compositions, personal and commercial projects without further permission from ModeAudio.

This license is non-transferable. You cannot electronically transfer the files included in this product or place them in a time-sharing or service bureau operation, or a computer network. ModeAudio cannot be held responsible for any direct/indirect consequential loss arising from the use of this product in whatever form. ModeAudio, the owner of this product, reserves all rights.

4. Contact & Support

If you have any problems with using the sounds included in this pack then please don't hesitate to get in touch. Either fill in our contact form, or send an email to the following address:

support@modeaudio.com

Include as much information about the issue as you can - screengrabs are usually very helpful. We'll almost certainly need to know which OS (e.g. Mac or Windows) you use and which DAW/piece of software you want to use the sounds with.

If you want to stay up to date with all things ModeAudio, you can sign up to our newsletter to receive sounds, tips, tricks and more.

Thanks again, we hope you enjoy using the sounds as much as we enjoyed making them - come back soon!
