3. License Agreement
4. Contact/Support

### **1. Installation Guide**

1. Import any of the loops, samples or MIDI files into your DAW, which is usually possible by dragging and dropping into the arrangement / session window. Please refer to your DAW's documentation for further information.

2. Serum installation **for Mac OS**: please navigate to the following folder location - 'Macintosh HD > Library > Audio > Presets > Xfer Records > Serum Presets':

- move the **presets** folder from your downloaded pack to the 'Presets' folder;
- move the **wavetable samples** to the 'Tables > User' folder.

**For Windows/PC**: please navigate to the following folder location - '[Your Main Hard Disk] > Documents > Xfer > Serum Presets':

- move the **presets** folder from your downloaded pack to the 'Presets' folder;
- move the **wavetable samples** to the 'Tables > User' folder.

That's it! Further installation assistance can be found in our [support section](#).

### **2. Technical Info**

- Acid WAVE & WAVE (.wav) format for the loops (44.1kHz/24 bit)
- MIDI (.mid) files
- Serum (.fxp) format synth presets (please update to the latest plugin version)

### **3. License Agreement**

The contents of this download are licensed, not sold to you by ModeAudio. Ownership remains with ModeAudio. Copying, duplicating, lending or re-selling this product or its contents, in whole or in part, is strictly prohibited. This non-exclusive license is granted for a single-user only on a global basis for the full copyright protection period.

You are licensed to use the contents of this download royalty-free, granting you the right to incorporate them into your own, original music compositions, personal and commercial projects without further permission from ModeAudio.

This license is non-transferable. You cannot electronically transfer the files included in this product or place them in a time-sharing or service bureau operation, or a computer network. ModeAudio cannot be held responsible for any direct/indirect consequential loss arising from the use of this product in whatever form. ModeAudio, the owner of this product, reserves all rights.

### **4. Contact / Support**

If you have any problems with using the sounds included in this pack then please don't hesitate to get in touch. Either fill in our [contact form](#), or send an email to the following address:

[support@modeaudio.com](mailto:support@modeaudio.com)

Include as much information about the issue as you can - screenshots are usually very helpful. We'll almost certainly need to know which OS (e.g. Mac or Windows) you use and which DAW/piece of software you want to use the sounds with.

If you want to stay up to date with all things ModeAudio, you can sign up to our [newsletter](#) to receive news, free sounds, tutorials and much more.

**Thanks again, we hope you enjoy using the sounds as much as we enjoyed making them - come back soon!**
